

## **The Afro Arab Cooperation. Evaluating the March**

**By Samir Housny**

The paper is trying to follow up the institutional achievements of the Afro Arab cooperation through evaluating the march in the last 25 years. This evaluation will include:-

1-The institutional organs.

2-The mutual views of the Arab states and Africans.

3-The problems they faced.

4-The perspective of the march according to the current dialogue in African Union and Arab league secretariat .
